APPENDIX 1

Item 007/FC/02/20-21 Clerk’s Report

CLERKS REPORT

Introduction

This report will be presented to North Waltham Parish Council at the virtual Parish Council meeting to be held on Tuesday 19th May 2020 and is intended to update members on work undertaken and actions completed since the last meeting held on 18th February 2020.

Meetings

The Parish Council meeting planned for 17th March 2020 was inquorate. Two members and the Clerk attended this meeting and agreed a ‘Plan to ensure the continuity of North Waltham Parish Council Services during the Coronavirus outbreak’. This plan was circulated to members. As no comments or concerns were raised, the plan was implemented.

Following advice from the Government, meetings were no longer permitted and, therefore, the following were postponed:

- Parish Council meeting due to be held on 21st April 2020
- Annual Parish Meeting due to be held in April
- Community Coffee and Litter Pick due to held on 28th March.

On 4th April 2020, the Government introduced new regulations which

- allowed Parish Councils to hold virtual meetings and ‘remote’ attendance by members
- disapplied the requirement to hold an Annual Meeting of Council and where appointments are made at an Annual Meeting, such appointments shall continue until the next Annual Meeting or until such time as the Parish Council decides.

The Chairman and Clerk have investigated the various options available to the Parish Council and have decided to use Zoom Pro for virtual meetings for a monthly fee of £14.39. This subscription can be cancelled at any time should it no longer be needed. The next Parish Council meeting, planned for 19th May, will take place via Zoom. This meeting will concentrate on key issues to be discussed at the present time.

Audit

The Accounts and Audit (Coronavirus) (Amendment) Regulations 2020 have amended the deadline by which the Annual Governance and Accountability Return (AGAR) should be published to 30th September – 30th November 2020. Previously, there was a requirement to have a common period for the exercise of public rights to include the first 10 days of July. The Clerk is continuing to work through end of year tasks and prepare for the internal audit, provisionally booked for 28th May. Should this go ahead as planned, the Parish Council should be able to sign off the AGAR at the June meeting and publish soon afterwards.

Correspondence

Since the lockdown commenced, there has been a huge amount of correspondence which has been read and circulated to councillors where appropriate. A record of correspondence is provided as Appendix 5 of the agenda.

Key pieces of information arising from the correspondence have been communicated to residents via the North Waltham webpage (and Weekly News email), Facebook page, newly created village Whatsapp group and on the notice board.

2 The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority Meetings and Police and Crime Panel Meetings) (England and Wales) Regulations 2020
North Waltham Covid-19 Support Group

A group of volunteers in the village have set up a support group for residents who are isolating, shielding and vulnerable. This has been very successful in supporting residents in need and supporting Old Barn Stores in keeping the shop well stocked.

The Support Group approached the Parish Council for help to apply for grants to support their work. However, on further investigation, it was preferable for them to apply for the grants in their own right and to receive funds via a cash card and, therefore, the Parish Council did not apply on their behalf. The Clerk has offered support with publicising information and helping with administrative tasks, such as photocopying if required.

The Support Group asked the Parish Council if a page could be added to the North Waltham website for Coronavirus and to provide useful information and sources of support. The Chairman of the Parish Council, Geoff Chapman, set this up immediately and continues to keep it updated.

Planning

There have been five new planning applications received since the meeting on 17th March 2020. These were circulated to Parish Councillors, their comments collated and a response made to Basingstoke and Dean Borough Council. (See item 010/FC/02/20-21)

Planning Enforcement

Land at OS ref 456378 145890 Fox Lane, North Waltham - there has been an appeal against the enforcement notice relating to the change of use of the land from agricultural to the use of the land for the siting of a mobile home. There has been no further information regarding this appeal.

Highfield, Church Road, North Waltham RG25 2BL (planning application 18/00460/FUL) - there has been no further information regarding this application.

Neighbourhood Plan

The Neighbourhood Plan group asked the Parish Council to consider

- engaging O’Neill Homer as consultants to deliver the Neighbourhood Plan
- applying for a grant of £9,000.00 to cover costs of delivering the Neighbourhood Plan

Parish Councillors were consulted via email and agreed to both proposals. The Parish Council will be asked to ratify this decision (Item 009/FC/02/20-21 on the agenda).

Other Issues

Other issues that have arisen since lockdown commenced include

- Garden Competition – the Chairman and Clerk have decided to run these competitions again this year. Unfortunately, last year’s winners do not feel in a position to judge the garden competition and the Clerk plans to approach the Garden Club about doing this instead. A poster has been produced to advertise the children’s sunflower competition and will continue to be promoted.
- The Lengthsman undertook a visit on 16th April and will next visit on 17th June.
- A local resident has requested that the Parish Council consider applying to have the Fox pub listed as an Asset of Community Value. (See item 006/FC/02/20-21 on the agenda)
- A local resident approached the Parish Council to complain about frequent bonfires near their home. The Clerk posted advice from BDBB on the webpage (and Weekly News email) and Facebook page.

Ongoing Projects

The Action Plan and Outcomes from the meeting held on 18th February 2020 has been updated to reflect the current position of ongoing projects. (See below)
