

North Waltham
Village Trust

Dear Fellow Resident

The Future of North Waltham's Cuckoo Meadow

The Rathbone Pavilion (the Village Hall) and Cuckoo Meadow (the open green space, tennis court and children's playground) in the village are valuable and well used village assets; however we are aware that since the land was bequeathed to the village in the 1950s much has changed. As part of the Village Trust committee's considerations towards planning for the land and pavilion's future we would like to know your views.

This questionnaire is being delivered to all households in the village. We would be very grateful if you could spare 5-10 minutes of your time to complete the questions and place the completed questionnaire outside your front door in the plastic wallet provided. We will return to collect it by hand on 22 May.

The results of the survey will help us apply for any grant funding that will be needed for improvements and the information will also be used to inform the Neighbourhood Plan which is being developed by the Parish Council.

We will publish the results on the village website and copies will be displayed at the pavilion. If you have any questions regarding the questionnaire please contact the Trust by email at info@northwaltham.org

Many thanks in anticipation

The Village Trust committee
