Tuesday 17th September 2019 at 7:30pm in the Rathbone Pavilion, North Waltham

Councillors Present: Cllr Geoff Chapman (GC) (Chairman), Cllr Judith McGinley (JM), Cllr David James (DJ), and Rosemary Coulter (Clerk)

114/FC/06/19-20 Apologies for Absence: Cllr Bill Preston, Cllr Jan Woodfin, Borough Cllr Diane Taylor, Borough Cllr Stuart Frost

115/FC/06/19-20 Declarations of Interest: None.

116/FC/06/19-20 Meeting open to the Public: No members of the public attended the meeting.

117/FC/06/19-20 Minutes: The minutes of the ordinary meeting held on 16th July 2019 were accepted as a correct record. The minutes of the meetings above were signed and dated by the Chairman.

118/FC/06/19-20 Matters Arising: The Action Plan and Outcomes from the meeting held on 16th July was presented to Council (see Appendix 1). Only actions requiring further discussion were then discussed at this meeting.

- Multipay card – the single transaction limit has not yet been increased
  ACTION: Arrange with Lloyds Bank. GC

- Grant Awarding Policy – as this has a two-year review, this policy is not on the schedule for review during 2019-20. However, Council agreed that this should be reviewed as soon as possible.
  ACTION: Review and update Grant Awarding Policy and present to Council as soon as possible. Clerk

The Action Plan and Outcomes from the Village Walk Around held on 6th August was presented to Council (see Appendix 2). Only actions requiring further discussion were then discussed at this meeting.

It was decided to concentrate on three main tasks as a priority and to address other issues in due course. The priorities were identified as actions relating to the telephone box, the pond (see item 120/FC/06/19-20 Risk Assessment below) and tasks for the Lengthsman.

ACTION:
- Order new handle for the telephone box and arrange fitting. Clerk
- Check battery on defibrillator. Clerk

119/FC/06/19-20 Co-option of Councillors to Council: One local resident has volunteered to be co-opted to the Parish Council again but was unable to attend this meeting. Concern was expressed that this resident was no longer interested. Council decided to advertise the councillor vacancy. This resident is welcome to come forward again.

ACTION: Advertise councillor vacancy. Clerk

120/FC/06/19-20 Risk Assessment: Outstanding issues:
- Current pricing for flotation aid, housing and signage – the Clerk has requested an updated quotation and is awaiting a response.
- Tethering of duck house – local resident happy to tether but need to determine how to do this.
- Difficulty obtaining quotes for roof guard on bus shelter.
- The Lengthsman will be asked to fix bollards on Cornell Green on his next work day.
• Awaiting response rationale for high-viz markings on bollards on Corndell Green.
Concern was expressed about putting the flotation aid on the telephone box as it is a short distance away from the pond and may not be easily visible if needed.
Suggested asking members of the Village Trust about roofing services.

**ACTION:**
• Determine from local resident what tethering kit for duck house consists of.  
  **Clerk**
• Contact other local Parish Councils with small ponds and determine their actions regarding
  warning signs and flotation aids.  
  **Clerk**
• Contact Village Trust for recommendations for spoofing companies.  
  **Clerk**

**121/FC/06/19-20**

3-5 Year Plan

JW has not yet provided any information regarding Dial-a-Ride or similar services.
Concern was expressed that focussing on the Transport Strategy seems to be distracting from
drawing up a 3-5 year plan.
It was decided to carry this item over to next meeting due to the limited number present.
**ACTION:** Review previous minutes to draw up a draft 3-5 year plan to present to Council in October.  
  **Clerk**

**122/FC/06/19-20**

Policies and Key Documents

**Financial Regulations**
The model Financial Regulations have been updated by NALC. The Clerk has reviewed the
Parish Councils’ existing Financial Regulations in line with this new model and recommended
changes, as marked in red in the circulated documents.
The Clerk highlighted pertinent points for discussion, as follows:
  o Some changes have been made to reflect that the Council has no committees with
degraded powers and decisions are made by Full Council, or to reflect working
  practices of the Council, eg. the Council does not hold any petty cash. However, there are
  still some references to committees which need to be corrected in the document.
  o Item 1.14 – council agreed to set the figure for approving any grant or single
  commitment in excess of £500.
  o Item 4.1 – expenditure of revenue items … is determined by
    * Full council for all items over £500
    * The Clerk, in conjunction with the Chairman of Council for any items below £500.
  o Items 11.1(h) – obtain 3 quotations where the value is below £3,000 and above £300.
  o These are amounts previously agreed by Council. However, Council agreed to change
  these amounts to ‘… below £5000 and above £500.’
  o Items 12, 13 and 16 have been added.
  o Item 14.2 – NALC suggest a value of £250. However, Council agreed to set this figure
  at £500.
  o Other amounts in the document are suggested by NALC.

**Financial Risk Assessment**
The Financial Risk Assessment, dated 12th September 2019, was presented to Council.
Two recommendations were made.
  o According to the Councils’ Schedule for Review of Policies and Key Documents 2019-
    20, a Business Continuity Plan is due to be presented to Council in February 2020.
  o In May 2018, the Data Protection (Charges and Information) Regulations came into
    force. Under the Regulations, organisations that determine the purpose for which
    personal data is processed (ie. data controllers) must pay a data protection fee unless
    they are exempt; HALC’s position is that the corporate body of the Parish Council will
    always be required to register with the Information Commissioners Office (ICO).
    Individual Parish Councillors are not required to register individually, as they will be
    covered by the Council’s registration. The fee for a Public Authority with less than 10
    members of staff is £40pa or £35 if paid by direct debit

**Resolution:** To accept the Financial Risk Assessment, dated 12th September 2019.
Agreed unanimously.
**Resolution:** To register with the ICO at £35 and pay by direct debit.
Agreed unanimously.

**ACTION:**
• Update draft Financial Regulations in accordance with decision made above and present to
  Council in October for approval.  
  **Clerk**
• Register with the ICO.  
  **Clerk**
**123/FC/06/19-20 Garden Competition**

The judges have completed judging and provided the Clerk with a list of winners (addresses only). The Clerk has notified the winners and asked them to provide contact details and is awaiting response.

**Discussion:**

It was agreed to hold a short presentation at the beginning of the October Parish Council meeting. It was agreed to award prizes, as in previous years, i.e. garden vouchers for 1st place - £30, 2nd place - £20 and 3rd place - £10 for both front gardens and best baskets/containers. Total £120.

There have only been 4 entrants to the children’s Sunflower growing competition. The Clerk has emailed the parents to determine if the sunflowers are available for measuring. 2 childrens’ sunflowers have wilted and died. The Clerk is awaiting a response from the other 2. The prizes were agreed, as in previous years, i.e. book vouchers for 1st place - £15, 2nd place - £10 and 3rd place - £5 for both tallest sunflower and biggest head. Total £60.

**ACTION:**

- Plan presentation and inform winners.
- Advise GC of sunflower entrants, if necessary, to arrange measuring.
