

NORTH WALTHAM PARISH COUNCIL

TRAINING AND DEVELOPMENT POLICY

Introduction

North Waltham Parish Council is committed to the training and development of its Councillors and Clerk, in order to assist the Council in achieving its aims and objectives, as well as ensuring the Council is kept up-to-date with all new legislation. To support this, funds are allocated annually to a training budget to enable Councillors and staff to attend training and conferences relevant to their office. Prospective Councillors and applicants for the post of Clerk should be made aware of the content of this policy and the expectations placed on them.

Training needs identification

Training needs for Councillors will usually be identified by themselves, the Chairman and the Clerk. Opportunities to attend courses will be investigated by the Clerk and brought to the attention of the full Council.

Training needs for the Clerk will be identified through the recruitment process for new Clerks, including application form and interview, formal and informal discussions and annual appraisal. The Clerk is expected to keep up-to-date with developments in the sector and highlight any training requirements to the Council.

Resourcing training

Annually, a review will be undertaken during the budget setting process to ascertain any weaknesses or potential areas of improvement that the Parish Council could enhance through training. An agreed budget will be put in place to cover training courses, annual subscriptions and purchasing of relevant publications.

Evaluation and review of training

The Clerk will maintain an up-to-date training record for all Councillors and the Clerk.

Following attendance at any training, the person attending will report back to the Clerk and the Council on the relevance and effectiveness of the training supplied.
